2008 Year-end Speakers Sparked Interest

←The first speaker since our last newsletter was Sara Oldroyd, a dietician at the University of Utah, who also assists with the Salt Lake County Extension Office under the direction of Utah State University. Sara gave us much food for thought on Nov 20, 2008, just before Thanksgiving, about safe cooking practices. Cold turkey isn't such a bad thing.

New Year Greetings From President Chambers

Dear Club Members;

I wanted to thank you for all of the hard work that is put in to making Capital Hill Kiwanis Club a success. It is so much more than any one person. We are greatly blessed to live here and have the association of each other. With this new year, may we be more mindful of those in need, and be ever ready to help when its needed.

We also need to be always on the look out for those who could both benefit and be a true asset to our club. May your efforts in this area be blessed.

Thanks, Joel
