Every Washington Elementary Student Receives a Book from CHK Every Year

It's nearly summer meaning it's time for Capitol Hill Kiwanis to treat every student at Washington Elementary School on 200 West in SLC with a new book of their choice. Thanks to Jim Archuleta for making arrangements, with Carol Wood assisting in the giveaway, and to Bonnie Archer for collecting the 100s of books again this year on May 7. About 320 books went to grades K-6.

Speakers Address Leadership, Coins, News, and Art

Mike Mower
May 6

Gail Dyreng
May 13

Joe Cannon
May 20

Colleen Parker
May 27

Mike Mower, the UT State Planning Coordinator and Senior Policy Adviser, has worked closely with many leaders. He shared what he has learned from several, including Howard Nielsen (hard work), Chris Cannon (power of positive thinking), Lewis Billings (vision), Mike Leavitt (planning), Olene Walker, and more.

Gail Dyreng, hobbyist coin collector and historian, shared his learning about history, especially the influence of the old Dutch, through his commemorative coin collection. These included coins of the Mayflower, Spanish Inquisition, the Dutch Corsairs, & Henry Hudson.

Joe Cannon, Editor of the Deseret News, spoke of current challenges facing news agencies around the world in light of the Internet and social networking and how advertising has shifted. The Internet hasn't killed newspapers per se, but the business model is changing. The unity of KSL, Des Bk, and Des News has helped.

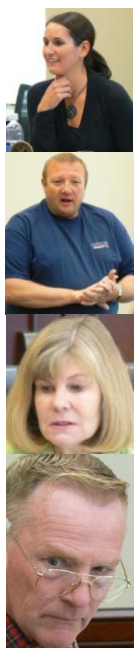

Colleen Parker, local artist and founder of Lamplight Gallery in Bountiful, delighted CHK members with her "happy accidents" and "what ifs" demonstrating art can be found even in discarded paper towels and ridge patterns on running shoes and the unpredictable patterns of mono-prints. She opened all eyes to art.

Lauren Kacziel, CHK President Elect, conducted the Thursday morning meeting for the first time, May 13 while Darrell was temporarily away.

Joel Chambers, Past CHK President, also takes some time during meeting to give some announcements.

Karen Derrick, CHK Adviser to West High Key Club, and a member of the scholarship committee notified club members that new officers had been elected for next year's Key Club and that two WHS students had been selected for scholarships of \$1500 each, and will be awarded soon.

Alan Schulz, a very active participant in CHK, was awarded WTG (Way To Go Award), May 6, for his great support and boost in many programs.

Commemorative Coins and a Sampling of Colleen Parker's Delightful "What if" Artwork
